Community Public Meeting

Stream Restoration

Project Site

Tues, Oct 24th 7:00 - 8:30 pm

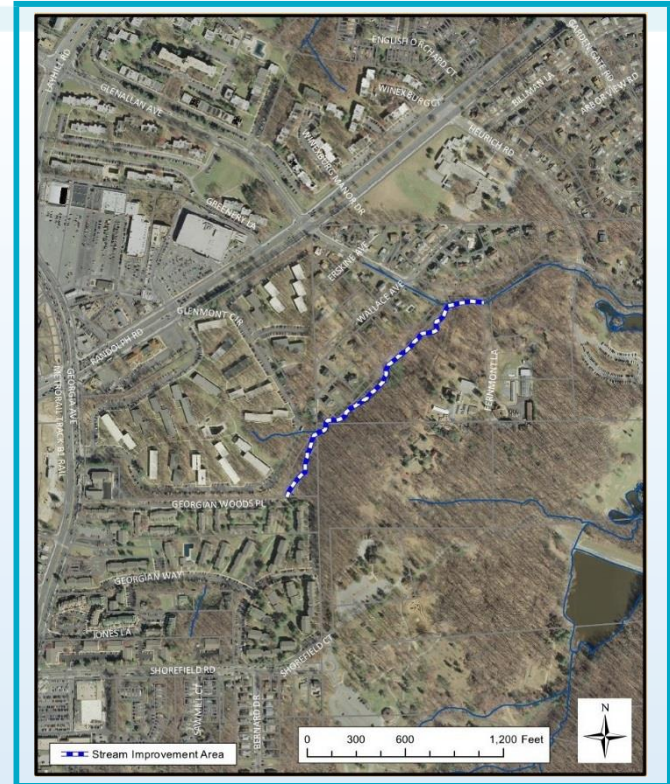

* *In case of inclement weather, call 240-499-8531*

* Meet at the Glenallan Elementary School

* Join Montgomery County's Department of Environmental Protection (MCDEP) to learn about the Glenallan stream restoration project in your community. The proposed project will stabilize and enhance the existing stream shown in the map to the right.

* We will present stream restoration designs, and provide residents an opportunity to learn more about this project. You will be able to ask questions and provide feedback.

* This project is part of the County's larger goal to reduce stormwater runoff, minimize pollution, promote infiltration, and restore stream conditions in the Northwest watershed, the Potomac River, and the Chesapeake Bay.
